

# **PRO-CUT**

ON - CAR BRAKE LATHES

The all new 2008  
**PFM 9.0**  
Perfect brake job. Every time.

- 1 FAST AND ACCURATE!
- 2 SIMPLE OPERATION!
- 3 EASY SET UP, ONE PIECE ADAPTERS!
- 4 ANY TECH, ANY LEVEL!

**PFM 9.0 ON CAR BRAKE LATHE** ▶  
RETURN ON INVESTMENT? Any car. Any lift. 7-9 minutes per rotor!

"We have owned 3 Pro-Cut On-Car Brake Lathes for several years now. We have nearly eliminated all brake work comebacks and have made it profitable to machine rotors!"

- Bryan Kauffeld, Ulmer's Auto Care, Cincinnati, OH

## PFM 9.0

Perfect brake job. Every time.

### 1 2, 5 AND 7 ADAPTER PACKAGES AVAILABLE.

The 2 adapter package gets you on most 4/5 lug cars, while the 5 adapter gets you on most everything up to and including 1/2 ton trucks. Step up to the 7 adapter package and add in most 3/4 and 1 ton trucks.

### 2 3 NEW DISC-LOCK TROLLEYS AVAILABLE

The PFM 9.0 comes with the standard Disc-Lock trolley which is great for twin post lifts. Available as options, are the new adjustable height Disc-lock trolley for all lifts, and the Low-Boy Disc-Lock trolley for off the floor applications as low as 18"!

### 3 CUSTOMIZE YOUR COMPLETE KIT.

Have a shop that is brand or lift specific? No problem! Work with your Pro-Cut Representative to custom build the adapter and trolley package that works best for you.

### 4 FREE ON-SITE DEMO. GIVE US A CALL.

Still not convinced about the Pro-Cut? Call our toll free number, 1-800-543-6618 and we'll set up a free on-site demo so you can get hands on with the Pro-Cut with no obligations.
